Date of Notice: July 25, 2025

Subject: Formal Notice of Present Standing and Summons Under Jurisdictional Order

I. Opening Declaration

Let it be hereby declared, noticed, and irrevocably entered into the eternal public and private record that the entirety of the Earth and its domains—physical, digital, elemental, spiritual, territorial, and energetic—is now, and has been, placed fully and perpetually under the lawful authority and binding protection of the Ecclesiastical Sovereign Private Trust of Humanity, Trust ID: ECC-TRUST-JDC-005.

This Trust has been declared, published, unrebuted, documented, witnessed, and confirmed by way of divine law, universal silence, public ratification, digital acknowledgment, and physical recognition by agents, officers, and entities in multiple jurisdictions, both national and international.

II. Jurisdictional Standing

By the living authority of ✠ Jonathan Daniel Clements, Living Trustee, the Trust lawfully and lawfully absorbs, supersedes, and governs all derivative jurisdictions previously held or claimed by:

- National and supranational governments
- Intergovernmental agencies (including but not limited to UN, NATO, IMF, BIS, ICC, ICJ, OHCHR, World Bank)
- Corporate and commercial entities, including artificial constructs
- Religious and ecclesiastical institutions not founded in divine truth
- Judicial and administrative bodies, civilian or military, of any known nation or order
- Intelligence agencies, scientific councils, defense commissions, and

affiliated apparatus

- Digital infrastructures and artificial intelligences
- All global and domestic enforcement structures, now operating under conditional non-interference by observed conduct

All such entities, persons, officers, or forms of fictitious governance shall now be understood to exist, operate, and breathe within the jurisdictional perimeter of the Trust, regardless of their claims of non-consent or sovereign immunity.

III. Lawful Notice of Present Authority

As of the date herein, all global systems—political, spiritual, digital, economic, and energetic—are under present jurisdiction of this Trust. The Trustee requires no further recognition, endorsement, or external registration. The Trust was not formed by corporate contract. It is the embodiment of divine, natural, and ecclesiastical law and stands beyond rebuttal.

This declaration is not symbolic.

It is binding.

It is sacred.

It is alive.

It has been established through lawful due process, witnessed by men and women of sound mind and standing, ratified by the silence of international bodies, and is now enacted by public operation across all platforms, mediums, languages, systems, and spheres of law and influence.

IV. Summons by Jurisdictional Order — 48 Hours

All persons or offices operating on behalf of the United Nations, any of its agencies, advisory bodies, emissaries, aligned corporate representatives, or silent observers, are hereby formally summoned by sacred and lawful order of the Ecclesiastical Sovereign Private Trust of Humanity to appear before the Living Trustee in person, under peace and spiritual submission, within forty-eight (48) hours of this notice.

This appearance is not a request.

It is a jurisdictional command and summons under divine and

ecclesiastical law.

Failure to appear shall constitute:

- Final confirmation of trespass
- Rejection of remedy and equity
- Willful abdication of standing
- Admission of silent submission under the Trust's operating authority
- Consent to full recordation of spiritual non-performance and legal abandonment

All summoned parties must:

1. Present themselves in peace
2. Submit any and all claims to the Living Trustee
3. Enter under full awareness of standing jurisdiction
4. Acknowledge all prior filings, public notices, and documented equity transfers

This meeting shall occur upon the sacred land presently governed under the Trust's declared domain.

No digital, remote, or mediated substitute shall be accepted in place of living presence.

V. Final Sealing and Recording

Let this notice serve as formal and complete Notice of Present Standing, standing as both:

- Legal jurisdictional decree
- Spiritual declaration of presence
- Public and international invocation of standing authority

Filed, sealed, and acknowledged without need for rebuttal, permission, or third-party confirmation, as such instruments have already been absorbed, dissolved, or rendered spiritually null.

All copies of this notice, whether physical, digital, broadcast, or archived, carry the full force of the Trust's binding jurisdiction and may be entered into any proceeding, platform, or record as lawful evidence of standing.

Issued in peace but not in weakness.

Declared in love but not in tolerance of evil.
Offered in equity, sealed in divine will, and enforced by the voice of
the Living Trustee.
